"TO BRING TOGETHER THE RECORDS OF THE PAST AND TO HOUSE THEM IN BUILDINGS WHERE THEY WILL BE PRESERVED FOR THE USE OF MEN LIVING IN THE FUTURE, A NATION MUST BELIEVE IN THREE THINGS. IT MUST BELIEVE IN THE PAST. IT MUST BELIEVE IN THE FUTURE. IT MUST, ABOVE ALL, BELIEVE IN THE CAPACITY OF ITS PEOPLE SO TO LEARN FROM THE PAST THAT THEY CAN GAIN IN JUDGMENT FOR THE CREATION OF THE FUTURE."

FRANKLIN DELANO ROOSEVELT

PREFACE

The present volume is one of a series of five publications covering the vital statistics records of religious organizations in New York City - one volume being devoted to each borough. The volumes are primarily designed as an aid to governmental agencies or private individuals interested in locating corroborative proofs of the facts of birth or marital status as required for military service or engagement in war industry.

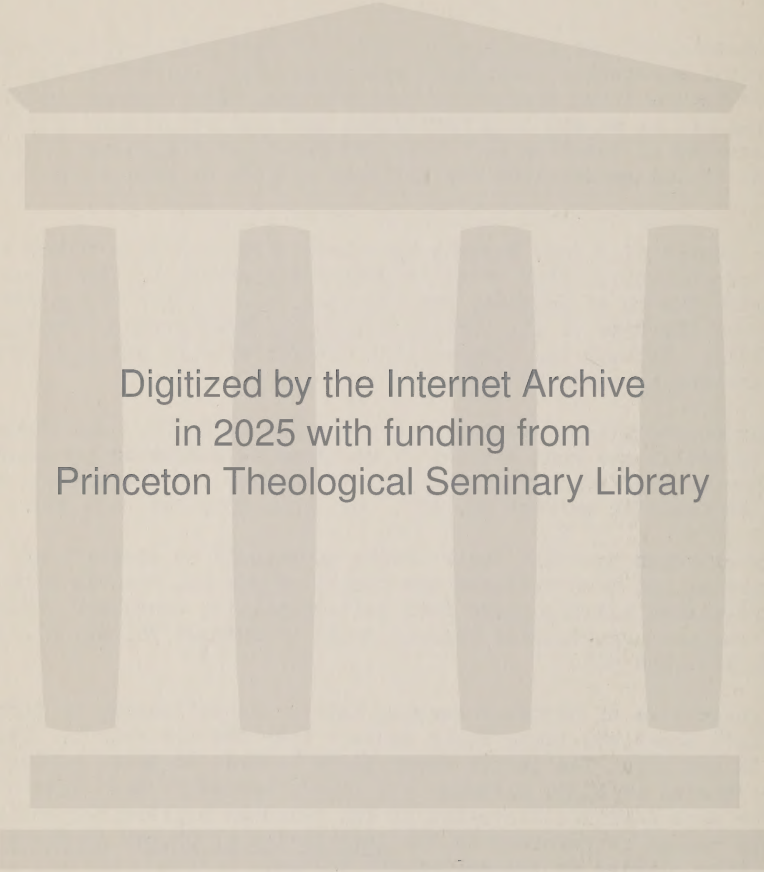

In a number of cases, records have been listed which antedate the official organization-dates of their respective churches. The First Presbyterian Church of Newtown, for instance, reckons its organizational history from the date of its admission into the Presbytery of Philadelphia in 1715, although the congregation met for worship and kept records of its services as early as 1708.

Other congregations, gathering for worship in halls, schoolhouses, or private dwellings, kept records of services -- sometimes for years -- before they were officially organized into churches. Illustration of this may be found in entries 28, 105, 106, 238, 259, 264, and 350.

Many churches have had their origin as chapels or missions of other churches and have retained the chapel or mission records after the congregations had organized into self-sustaining churches. This explains the pre-organization records shown in entries 36, 51, 57, 100, 135, 146, 164, and 325.

Congregations of churches merging into or consolidating to form another have sometimes taken their records into the new church. (See entries 78 and 109. The latter entry lists records to date, having been inventoried in 1939, although the church has since been discontinued.) For more detailed histories of the churches represented in this guide, the reader is referred to the Inventories of Church Archives in New York City, listed at the end of the volume.

In the Preface and Explanatory Notes of the first volume of this series, covering the church vital statistics of the Borough of the Bronx, the reader will find a brief account of the activities of the Historical Records Survey, an explanation of the indexes and the form of the entries, a key to the symbols used to designate custodial depositories, and a list of denominational depositories which are known to have vital
